SHORELINE REELS
RV, Marine and Industrial

**For People Who
Don't Mess Around
with Cords or Hoses.**

No other cord or hose reel device retrieves more quickly or stores more compactly.

Pull the cord or hose and
it free-spools off the reel...

you only pull off what you need.

To retrieve, push the button, it is that easy!

It's Just A Better System!

Marine Power Cord Reels

Retract and store your power cord with a single unit, allowing optimal space utilization. No other cord reel device retrieves more quickly or stores more compactly. Pull the cord and it free spools off the reel...you only pull off what you need. To retrieve, simply push the button.

- ▶ Eliminates need for storage container and connecting pipes
